

VILLA MADRID

EnjCasa Madrid is an exceptional architectural masterpiece, combining three independent colonial homes into one unique modern-colonial residence. Located in front of Plaza Fernández Madrid in Cartagena's Walled City, this stunning 9-bedroom villa features 6 king rooms, 3 queen rooms, and 8.5 bathrooms. The property centers around a beautiful courtyard with a large private pool, lush gardens, mature trees, and an outdoor terrace with comfortable seating and a private jacuzzi. Inside, spacious air-conditioned living areas provide plenty of room to relax and entertain. Each stay includes a dedicated butler, daily housekeeping and kitchen service, and overnight security for a truly luxurious experience.
